# Retirees

Elizabeth Ascherman retired in April after almost 20 years at UMM. Since April, 1978, she has been a plant services custodian in Behmler Hall.

Joyce Cain worked briefly at UMM in 1961-62 in the Humanities and Social Science divisions. She rejoined the staff in 1968 and was a principal secretary in Physical Education until her retirement in October.

John Detlef retired December 31, 1996. He had been an assistant professor of Mathematics since joining the faculty in September, 1966.

Art Durkee has been at UMM since July, 1966, most of the time as a general mechanic and maintenance and operations mechanic. When he retires in August, he will probably be best remembered as UMM's bus driver who drove the Cougar bus almost 750,000 miles himself.

Arden Granger will retire June 30 after five years at UMM. She is UMM's coordinator of special events — taking care of details and arrangements for commencement and other special occasions.

Liselotte Gumpel will retire in December as a professor of German at UMM. She joined the German faculty in September, 1968, and has been particularly active at international conferences.

May Jesseph has been a library assistant at the Briggs Library since joining the UMM staff May 1, 1971. She has also been a lecturer for Continuing Education since 1992. She retired in December.

Beatrice Nelson retired last December after 20 years at UMM. She worked in the offices of the Minority Student Program, Residential Life, Humanities, the Dean's Office, and most recently was executive secretary in the Division of the Humanities.

Ellen Ordway will retire in June as a professor of Biology after 32 years at UMM. She is also a preserve monitor for the Nature Conservancy with a special interest in insect-plant relationships.

The Cougar Bus will be retired July 1 after 25 years of service to UMM and its students and staff. Since September, 1972, the bus has transported all athletic teams on their road trips, taken choir, band and theater tours, and geology and biology junkets, including two trips to Alaska.

## Promotions and Tenure

Promoted to professor: James Cotter, Geology; Vicki Demos, Sociology

Promoted to associate professor with tenure: Jon Anderson, Mathematics; Margaret Kuchenreuther, Biology; Neil Leroux, Speech; Dian Lopez, Computer Science; Gwen Rudney, Education

### IN MEMORIAM

Elwood "Jack" Peterson died April 29 in Morris. Since joining UMM August 3, 1970, he had held various positions in maintenance, as a mechanic, equipment operator and, since 1981, as a gardener.

Thanks to Sangeetha Appavoo, Patricia Dorn, Sue Schleder, and Paula Weimer for the musical selections, and to John Stuart Ingle for permission to reproduce a transparency of his painting "Still Life With Overland Flyer" for use as a special gift for the retirees.
